PROFESSIONAL SUMMARY

Computer Science undergraduate at SIMATS Engineering College with a 9.24 CGPA. Strong programming knowledge in Java and Python, with skills in SQL, Database Management Systems (DBMS), and Cloud Computing. Passionate about Artificial Intelligence, open-source technologies, and intelligent software solutions, with a strong interest in contributing to real-world AI projects.

EDUCATION

SIMATS Engineering College (B.E. Computer Science & Engineering)

Expected Graduation: 2028 | CGPA: 9.24 / 10

TECHNICAL SKILLS

Programming	Java, C, Python
Web	HTML, CSS
Database	SQL, MySQL
Tools	Git, GitHub, VS Code

RELEVANT COURSEWORK

• Database Management Systems • Object-Oriented Programming • Software Engineering • Cloud Computing • Computer Networks • Operating Systems

PROJECTS

Smart Canteen Management System | HTML, CSS, Python, MySQL

- Developed a role-based web application with Admin, Canteen, and Customer modules.
- Implemented canteen creation, inventory management, wallet-based ordering, and digital token queue tracking.
- Designed a normalized MySQL database for users, canteens, menu items, and orders.

GitBoard – Collaborative Task Management | HTML, CSS, Git, GitHub

- Developed a responsive Kanban board for task and workflow management.
- Designed reusable UI components and an intuitive interface for efficient task organization.

CERTIFICATIONS

- Oracle Certified Professional – Java SE 21 Developer (07 May 2026)
- NPTEL – Deep Learning (April 2026)
- NPTEL – Internet of Things (IoT) (April 2026)

ACHIEVEMENTS

- Maintained 9.24 CGPA in Computer Science & Engineering.
- Participated in multiple college-level hackathons and technical coding events.
